## Safety Guidelines Fall 2020

Hello and welcome to a new season of dance. First and foremost I want to express my concern of keeping everyone healthy both physically and mentally. Remember you must do what you feel is best for your family and be comfortable with the guidelines we are setting out.

### Before Leaving Home

1. If your dancer feels sick please stay home. Call the studio to set up a Zoom meeting for your dancer's class time.
2. Dancers arrive at studio with dancewear under street clothes.

### Upon Entering Building (15 minutes prior to class maximum)

1. Everyone entering the building must wear a face cover.
2. Dancer and one parent or guardian must check in at front desk for health questions, attendance, newsletters and first hand sanitizer. There is No Play area for siblings.
3. Step away from front counter, place street shoes & street clothes in personal bag and put ballet shoes on. Stand on designated mark with personal belongings in hand. Personal face mask should still be on.

### Entering Studio

1. Place personal bags on back of first riser, place personal face mask on top of bag, line up by hand sanitizing station and get 2<sup>nd</sup> hand sanitizer. Get studio provided face shield, and proceed to either assigned ballet barre spot or designated spot on center floor.
2. If a dancer needs a tissue or bathroom break during class please use bathroom in studio. Quietly take care of business and return to class, hand sanitizer always available.

## Exiting Studio

1. Dancers gather personal belongings and go to 2<sup>nd</sup> studio to meet parents and put street clothes back over dancewear. Face shields need to be placed in personal folder before exiting and put personal mask back on before leaving building. Hand Sanitizer before leaving building.

## Observing Classes

This is still an option but will have limitations: if coming into classroom, a face cover must be worn at all times. Once you have entered the studio with your dancer, you will need to stay for the entire class. There will be no exiting and re-entering.

Viewing dancers on the monitors will be limited. Be aware of others and social distance.

## Picking up dancers

All dancers will be dismissed through studio B. Parents will enter the B studio from the outside of building (not through the main dance space) There will be chairs set up and will be available anytime there are dancers in the main studio. Face covering will be needed to be worn in this area. Doors are not automatic and will need a heavy push.

## **Wavier to be signed at studio prior to first class. Parent or guardian must come into studio for first class**

I acknowledge the contagious nature of the Coronavirus/COVID-19 and that the CDC and many other public health authorities still recommend practicing social distancing.
