Newsletter September 2022

Welcome back all returning students and greetings to all of the new families! I hope everyone is healthy and ready to get back to Ballet class.

Class Observation

Those observing class need to follow studio rules including; class safety guidelines, and no conversations in viewing area during class. Please do not allow siblings to go back and forth to lobby. There is a monitor in the lobby so parents can observe classes without disturbing the flow of class, while also being aware of needs for siblings. Next class entering wait in lobby until prior class leaves. Please, if you have any concerns talk to Rachel.

Reminder to all about Face Coverings

This is a personal choice, please be respectful of others. Dancers need to check in with the front desk for attendance and newsletters. Backpacks and clothes need to be taken into the studio with dancer. Please do not leave items on the chairs in the lobby. **ALL dancers** need to wait in the lobby for their class to be called in the studio, no exceptions. Dancers will exit through Lobby and parents will pick up dancers there.

Tuition is due by the end of the month. There is a payment drop box by the studio entrance door. If you are paying by card, your dancers name needs to be hand written on the top of the business receipt before placing in payment box. Any account that carries a balance forward will be subject to removal from class. Please keep communication open and your account current.

Correct information on Invoices

Please check your invoice for correct class times for your student/s, check email address, and mailing address. If there is an error, please change and place in the payment box so a new invoice with correct information can be created.
